ORDER:

No.1486

The Government of India had set up the Unique Identification Authority of India (UIDAI) with the mandate to issue Unique Identification Numbers to the residents in India.

The Government of Andhra Pradesh (AP) entered into a Memorandum of Understanding (MoU) with the UIDAI for providing Aadhaar (Identity) to the residents of the AP State. The use of Aadhaar as identity document for delivery of services, benefits, and subsidies simplifies the Government services delivery, brings in transparency and efficiency, and enables beneficiaries to get their entitlements directly in a convenient and seamless manner by obviating the need to produce multiple documents to prove the identity.

2. Through the reference cited, the Secretary, Ministry of Electronics & Information Technology, Government of India, New Delhi has informed that Aadhaar unique IDs were issued to more than 134 crore residents, thereby covering more than 93 percent (%) of the total population, and nearly 100% of the adult population. Aadhaar has gained strength as a proof of identity in recent times and in order to minimize the chances of generation of Aadhaar to an illegal resident, there is a need to further strengthen the enrollment ecosystem which consists of nearly 65,000 Aadhaar centers spread across the country.

3. The Central, and State Government organizations, and Scheduled Commercial Banks are working as Registrars and Enrollment Agencies for the purpose of Aadhaar enrollment and updates. As of now, 5.17 crore Aadhaar numbers were issued covering more than 97% of overall population through the 3000 Aadhaar centres in AP. It is however, felt that a greater involvement of the State Government is required in monitoring of aadhaar-related activities at the ground level.

4. The UIDAI has therefore directed to constitute a "District Level Aadhaar Monitoring Committee (DLAMC)" for monitoring Aadhaar related activities at the ground level in the districts.

5. Accordingly, the "District Level Aadhaar Monitoring Committee" is constituted with the following members:

1	Collector & District Magistrate	Chairman
2	Superintendent of Police	Member
3	Representative of DLBC (Manager of Lead Bank)	Member
4	District Co-ordinator CSC e-Governance	Member
5	Senior-most District level officers of State Nodal Department (for Aadhaar)	Member
6	Senior-most District level officers of all the State Government Registrars of UIDAI (one member each from School Education Department, WCD Department, Health Department etc.,)	Member
7	Districts Heads of India Post and India Post Payments Bank	Member
8	Representative from UIDAI (DDG, Regional Office of UIDAI, Hyderabad)	Member
9	Representative of the District Magistrate (Not below the rank of Deputy Collector)	Convener

6. The DLAMC Committee should convene at least once in three months and the minutes of meeting shall be circulated to the Committee members for taking necessary action. The Committee shall monitor and recommend corrective actions.

7. The Terms of Reference for the above DLAMC are as follows:

- i. To scientifically and precisely assess the requirement for additional enrollment and ensuring availability for enrollment centers in uncovered areas;
- ii. To ensure Aadhaar saturation in all age groups and mandatory biometric updates of children;
- iii. To ensure establishment of District-, Sub District-, and Block-level Aadhaar Seva Kendra (ASKs) by UIDAI, State Registrar and CSC e-Gov;
- iv. To ensure implementation of Aadhaar Linked Birth Registration (ALBR);
- v. To ensure mobile number update in Aadhaar;
- vi. To ensure usage of Aadhaar in various schemes;
- vii. To monitor fraudulent activities related to Aadhaar;
- viii. To monitor the activities at Aadhaar Enrolment Centres, ensure compliance to rules, and redress grievances;
- ix. To deliberate any other issues as approved by the Chairman.

8. The Chairman of the DLAMC can co-opt additional members with domain expertise, as and when required.
